

*"A Sustainable, Vibrant, and Diversified Community with Opportunities for All"*

KITSCOTY, AB

July 19, 2017

It is with great sadness that we share the news of the passing of Councillor Murray King. Murray was an esteemed and active Councillor for Division 1 since 2007. Over the years, he worked diligently on many committees, partnerships and projects covering topics such as rural crime, health advisory, regional alliances, and housing initiatives. Murray was especially passionate about Agriculture and was a significant contributor to the continued growth and innovation of the industry. He contributed time, effort and strategic thinking to the Agriculture Service Board, the Battle River Seed Cleaning Co-op, 4H programs and more.

Murray's abilities to think regionally, identify strategic relationships, and share his foundation of common sense will be missed in Council. His dedication to the region and his care for his community will certainly be remembered, along with his optimism and kind heart.

Reeve Watt, Council and County staff send our sincere condolences to Murray's family and friends.
