

COUNTY CORNER

AGRICULTURE NEWS:

- **Strychnine Sales: Until JUNE 26 (9:00 am – 11:00 am on MONDAYS only; \$12.50/bottle).** Strychnine is only available to CVR ratepayers with an active farming operation. Buyers must provide the legal land locations for all application areas at time of purchase.
- **MOUSE/RAT Bait** - Due to federal changes in regulations, we are no longer able to provide mouse poison. If you live or farm in Ranges 1, 2 or 3 which are in the Provincial Rat Control Zone (east of RR 40), contact us to discuss prevention or control. If you are not in this zone, contact your local hardware or farm supply store about rodenticides.

PUBLIC WORKS NEWS:

- **DUST CONTROL:** Contact us if you are interested in Dust Control - applications are being accepted until June 30.
- **Monitor our webpage for regular updates to road work and construction throughout the summer.**
vermilion-river.com/departments/public_works/road_conditions_construction.html
- **GRAVEL SALE:** will take place June 21 and June 22 (more details on our webpage)

FIRE & PROTECTIVE SERVICES NEWS:

- Reminder that you still require a Burn Permit 365 days a year - contact our office before you start burning. **If you are burning any straw or stubble, please contact our Fire Chief at the office for approval.**

WASTE SERVICES:

- Waste Transfer Sites have switched to Summer Hours
- Recycling is now available at all the Waste Transfer Sites. Check our website for specifics on what is and is not acceptable.

REMINDER to check our website www.vermilion-river.com for new events, announcements, employment opportunities and more!
