

Small Business Finance Workshop

Community Futures Lloydminster and BDC is inviting you to our Small Business Finance Workshop. Please bring your displays/pamphlets/business cards & information to share. During the morning sessions, our service delivery organizations will have the opportunity to share with other agencies in attendance what their programming currently looks like and how to access their services. Agency partners will have the opportunity to share programming information and ask questions to each other on how we can provide services and programming for our clients and communities best interest. Starting at 1:00pm we will be inviting small businesses for our area. Each of you will have 3 minutes to speak about the services and products you offer, and how your organization helps others, with their small business ventures using the cracker barrel format, Businesses will be able to rotate between all agencies, gather information and ask one on one questions. This event is being hosted in Lloydminster on December 13th 2017 running from 8:30am – 3:00pm.
