# NOTICE to RESIDENTS

## ROAD CONSTRUCTION PROJECT: RR 34 from TWP 520 to TWP 521.5 (1.5 miles)

The County of Vermilion River has plans for re-construction of RR 34 between TWP 520 and TWP 521.5. The County has identified that it is a necessity to upgrade this roadway in order to **improve public safety, functionality, site lines, drainage improvements and load bearing capacity of this roadway**

### PROJECT TIMELINES:

\* every effort will be made to meet these deadlines, however, the project may be delayed or interrupted at any time due to weather, environmental or other impacts.

| EST. START DATE | DURATION  | OPERATIONS   |
|-----------------|-----------|--|
| Oct 1, 2018     | 5-6 weeks | Construction operations will run 7 days a week from 7am-7pm for the duration |

### PROJECT OVERVIEW:

The project will include the widening of the roadway to accommodate the new grade profile, the replacing of culverts, improving drainage, and upgrading of approaches.

### PROJECT OPERATIONS:

The road re-construction is planned to start Oct 1, 2018 and will take approximately 5 to 6 weeks to complete, weather permitting. Construction operations will run 7 days a week from 7am to 7pm and will continue up to freeze up. At which time the project will be shut down and will start up again in the spring. The roadway will be left in a full passable condition during the winter. The maximum speed limit of 50 km/hr within the construction zone will be in effect at all times during construction. Please observe and follow all posted construction signage, detours, and watch for flagging personnel.

If you have any further questions regarding the project, please contact Public Works at (780) 846-3309. Further notices will be posted on our website and social media as the project nears.

# Thank you for your cooperation!
