NOTICE to RESIDENTS

ROAD REHABILITATION PROJECT: TWP 514 from RR 23 to HWY 897 (4 miles)

Plans are underway to complete road rehabilitation on TWP 514 between RR 23 and HWY 897 (4 miles) **this month**. CVR has identified that upgrades are necessary in order to **improve public safety, functionality, site lines, drainage and load bearing capacity of this roadway**.

PROJECT TIMELINES:

EST. START DATE	DURATION	OPERATIONS
Week of June 11-15, 2018	4 weeks	Construction operations will run 7 days a week from 7am-7pm for the duration of the project

* every effort will be made to meet these deadlines, however, the project may be delayed or interrupted at any time due to weather, environmental or other impacts.

PROJECT OVERVIEW:

The project will include the road being stripped down to the sub-base and then built back up.

PROJECT OPERATIONS:

Construction will start at RR 23 and work westward to HWY 897. Construction zone(s) will be in 0.5 mile segments. The maximum speed limit of 50 km/hr within the construction zone will be in effect at all times during construction. CVR will strive to keep the construction zones passable at all times, however, conditions may require CVR to impose a detour from time to time. Please observe and follow all posted construction signage, detours, and watch for flagging personnel.

If you have any further questions regarding the project, please contact Public Works at (780) 846-3309. Further notices will be posted on our website and social media as the project nears.

Thank you for your cooperation!
