

# COMMUNITY ENHANCEMENT & RECREATION GRANTS

## APPLICATION PACKAGE: COMMUNITY HALLS

### PURPOSE

To fund community organizations, agricultural societies, recreation societies or associations and hall boards that **are operating community facilities and programs within the County of Vermilion River**. The goal is to build experiences that:

- **Bring enjoyment**
- **Encourage active participation**
- **Create and enhance community spirit**
- **Support recreation, arts (how we express ourselves), culture (who we are)**
- **Result in community enhancement**
- **Are educational and**
- **Open for use by County residents.**

Priority will be given to those programs/facilities focused on:

A County Recreation Sustainability Plan is in place and it is recommended that community organizations and facilities review this plan annually to ensure alignment with the long-term goals of the region. The Recreation Boards/County will update progress on this plan yearly and provide a progress report to the community. This long term planning ensures that as a community we nurture the kind of community we want for our neighbors, our children and our grandchildren.

### FUNDING OVERVIEW

There are a variety of grants available from the County of Vermilion River. These include operational, project and capital funding options.

**For 2018**, there is \$197,200 set aside for FACILITY operational, \$52,500 for COMMUNITY HALLS operational and \$20,000 for programs, events and new initiatives.

These monies will be distributed **based on the type of facility/program rather than restricted by recreational district**. This means that similar types of facilities will be applying for the same pool of funds, rather than being compared to completely different facilities with varying needs and usages. The exception to this is in the capital projects where the funding continues to be from special recreation tax levies and hamlet reserve funds and will be considered based on district/community.

- Each category of funds have a limited supply of funds. This means that not all eligible projects will receive funding and even those that are approved may receive less than their requested amounts.
- Funding may vary from year to year and organizations should not expect to receive the same amount from year to year.
- Funding will not be retroactive.
- Those that are approved will be required to complete financial reporting at the end of the project/year. If there is any outstanding reporting from previous projects, the organization will not be considered for new funding until it is submitted properly to CVR.
- Applications are submitted to CVR for review and approval. **CVR will have final approval on all fund allocations.**

Categories of funds are:

**Community Halls**

**Recreation Facility Operations**

**Programs/Events**

**Arts & Recreation New Initiatives**

**Libraries**

**Special Capital Projects**

**This funding category applies to the regions previously covered by the four Recreation Districts: Dewberry, Kitscoty, Marwayne, and Paradise Valley. Facilities and organizations within these four districts are eligible for these funds. Additionally, rural community halls in the Vermilion Recreation District may also apply for this category of funds.**

Cost share agreements are in place for facilities and programs within the City of Lloydminster. Therefore, facilities and organizations within those boundaries are not eligible to apply for the Community Halls grant.
