Partial Fire Ban Implemented in County of Vermilion River

County of Vermilion River, Kitscoty, AB

The County of Vermilion River has issued a partial fire ban effective 4:30 p.m., Friday, April 9, 2021.

Due to dry conditions, the County of Vermilion River has issued a partial fire ban within the boundaries of the County. Only recreational and incinerator fires are permitted. These recreational and incinerator fires must be contained, supervised and fully extinguished upon completion. All other fires are banned and all previously issued permits are cancelled for the duration of the fire ban.

Conditions of fire permits and fire bans must be followed. Failure to do so will result in a minimum penalty of \$500.00.

Please ensure all previous permitted fires are completely extinguished and all smoking material is out or disposed of in a burn proof container rather than tossing onto the ground or out a vehicle window.
