POLICY STATEMENT

The County of Vermilion River in an effort to provide safe and functional roads will provide annual snow removal as needed.

PURPOSE

To keep streets in a safe driving condition at all times by maintaining the removal of snow.

DEFINITIONS

A1, A2, A3, C1 and C2: Classification of Roads as defined by the County of Vermilion River Transportation Master Plan.

POLICY

1. Priorities for snow removal shall be:
 - a. All A1, A2, A3, C1 and C2 paved roads
 - b. Bus Routes and connectors between
 - c. Other Grid Roads
 - d. Yards

Hamlets

1. Hamlet streets will have snow removed within a 48-hour period or less, after a storm.
2. Equipment will plow around vehicles parked on the hamlet street and it will be the owner's responsibility for snow removal around them.
3. A loader will follow the grader, removing snow from entrances and driveways in a timely manner.
4. The timing of this service may vary according to bus route conditions on County routes.

Subdivisions

1. Roads in sub-divisions will be treated as any other County road and will be plowed in a timely manner according to the road designation (Bus Route, etc.)
