### How Do I Apply?

- Complete the Permit Application Forms for each of the required disciplines and submit them to the Safety Codes Provider of your choice.
- Ensure all required information is submitted along with payment to avoid delays. For example for Building Permits: A copy of your approved development permit from the County, the correct Municipal address and legal description of the property (lot, block, plan, section, township and range), A copy of the site plan showing size, shape and position of the proposed building on the lot or property and at least TWO (2) copies of complete sets of plans for your building project.
- Please see individual Permit Application Forms for required documents to be included with your application:
  - Building Permit
  - Electrical Permit
  - Gas Permit
  - Plumbing Permit
  - Private Sewage Disposal System
